Question Three:

Reading

Read the text. Are the sentences true (T) or false (F)?

Jake and Gaby are Americans. They moved from Ohio to London five years ago. Jake works for a bank and Gaby is a nurse at a big hospital in the city. What do they like best? Gaby speaks for both of them, 'We love London, there's always something interesting to do. The parks, museums, and theatres are great. We like to go walking in the country at the weekends so we drive to Essex early on Sunday morning and walk all day. We're never going to live in Ohio again; we'd miss London too much.' When asked why they moved to London, Jake says, 'Gaby got a job and I followed her. I didn't work for the first three months – I was looking for a flat to buy and looking after things at home. I started my job the day after we moved to this flat. Of course we speak the language but we had some problems at first. Just small things like the different words for food – and the different British accents can be difficult to understand.'

- 2- Jake thinks London is boring. ___
- 3- They like going to the countryside at weekends. ___
