- ❖ **1994 to 1996** **Anadolu university, Turkey**

Completed 2 years (MSc) course from the institute of health sciences , department of pharmaceutical technology .(studies on different pharmaceutical dosage forms of ketorolac tromethamine ) .

- ❖ **1996 to 2000** **Anadolu university , Turkey**

Completed 4 years doctorate (PhD) course from the institute of health sciences , department of pharmaceutical technology . (Preparation and In Vitro Evaluation of Pyridostigmine Bromide Microparticles) .

## **EMPLOYMENT RECORD & RESPONSIBILITIES:**

- ❖ **Currently** Department of Drug Control, General Administration of Pharmacy, Ministry of Health, Gaza - Gaza Strip/Palestine.
- ❖ **October, 2008-December, 2009** Production manager, Middle East Pharmaceutical & Cosmetics Laboratories Co. LTD (MEGAPHARM), Gaza - Gaza Strip/Palestine.
- ❖ **September, 2005-December,2009** Research and Development (R&D) manager, Middle East Pharmaceutical & Cosmetics Laboratories Co. LTD (MEGAPHARM), Gaza - Gaza Strip/Palestine.
- ❖ **March, 2006- September, 2009** Lecturer, Part time/Faculty of Pharmacy, Al-Azhar University, Gaza - Gaza Strip/ Palestine.
- ❖ **Jun, 2001- September, 2005** General Manager, Al Manarah Drug Store, Sharjah- United Arab Emirates (UAE).

## **SCIENTIFIC ACTIVITIES:**

- ❖ **June 27-30,1995** IV International Symposium on Pharmaceutical Sciences, Ankara University, Faculty of Pharmacy, Ankara-Turkey (Poster).  
  
Lütfi Genç, Muzeyyen Demirel, Erden Güler, Nahed Hegazy: "Microencapsulation of ketorolac Tromethamine by means of Coacervation-Phase Separation Technique Induced by the addition of Non Solvent".
- ❖ **September 9-11,1996** 8th International Pharmaceutical Technology Symposium, Hacettepe University Faculty of Pharmacy, Ankara, Turkey. (Poster).

Lütfi GENÇ, Nahed Hegazy, Betül Arica and Erden Güler: "Investigation of Certain Varieties of Carbopol in Ketorolac Tromethamine Hydrophilic

Matrix Tablet Formulations and Evaluation of the Kinetics of its In Vitro Release".

- ❖ **June 24-27,1997** V International Symposium on Pharmaceutical Sciences, Ankara University, Faculty of Pharmacy, Ankara, Turkey. (Poster).

Lütfi GENÇ, Nahed Hegazy and Erden Guler,: "sustained Release Wax Matrix Formulations of Ketorolac Tromethamine with compritol 888 ATO and HD 5 ATO".

- ❖ **June,1998** VI International Symposium on Pharmaceutical Sciences, Ankara University, Faculty of Pharmacy, Ankara-Turkey (Poster).

Lütfi GENÇ, Nahed Hegazy and Erden Guler,: "Enteric Coated Film Tablet Formulation of Ketorolac Tromethamine".

- ❖ **September, 2001** 13th International Symposium on Microencapsulation, Angers, FRANCE.

Nahed Hegazy, Muzeyyen Demirel, Yasemin Yazan,: "Preparation and In Vitro Evaluation of Pyridostigmine Bromide Microparticles".

- ❖ **May, 2006** Enterprise Consulting Apprenticeship Program (**ECAP**).

Project implemented by Development Alternatives, Inc. (**DAI**) and funded by the United States Agency for International Development (**USAID**).

- ❖ **March, 2007** ISO 9000 - 2000 Awareness, Good Manufacturing Practices (**GMP**), Pharmaceutical Marketing, Introduction to Pharmaceutical Industry, Specialized Training in Research and Development (R&D).

Apprenticeship program with the Union of Palestinian Pharmaceutical Manufacturers (UPPM), under the Palestinian Enterprise Development (**PED**) Project implemented by Development Alternatives, Inc. (**DAI**) and funded by the United States Agency for International Development (**USAID**).

❖ **July 07 to October 13, 2010**

**Drug Toxicity**

Directorate General of Human Resources Development, Ministry of Health - Gaza.

❖ **July 09, 2011 to January 28, 2012**

**Documentation of War Crimes (TOXICOLOGY).**

Directorate General of Human Resources Development, Ministry of Health - Gaza.

❖ **January 09 – 16, 2012**

**Problems Analyze and Decisions Make.**

General Personnel Council, Gaza.

❖ **July 12, 2012 to October 11, 2012**

**Drug Registration.**

Directorate General of Human Resources Development, Ministry of Health – Gaza with The Jordanian Committee for Supporting Health Sector in Gaza.

❖ **September 04 – 11, 2012**

**القياس والتقويم**

General Personnel Council, Gaza.

#### **SUPERVISION:**

- ❖ Principal advisor for the M.S. student **Kholoud T. Abu Shaaban** (Al-Azhar University-Gaza, 2009). The title of the thesis: Quality Control Study on Some Essential Drugs Available on the Palestinian Drug Market.
- ❖ Principal advisor for the M.S. student **Khetam Mohammed Al Sheekh Ali** (The Islamic University – Gaza, 2013). The title of the thesis: Anxiety and aggression among children who have substance dependent fathers in Gaza Strip.

#### **PUBLICATIONS:**

- ❖ Lütüfi GENÇ, Erden GÜLER, Nahed Hegazy: Film – coated Enteric Tablet Formulation of Ketorolac Tromethamine", Drug Development and Industrial Pharmacy , 23(10), 1007-1011 (1997).

- ❖ Lütfi GENÇ, Muzeyyen Demirel, Erden Güler, Nahed Hegazy: "Microencapsulation of Ketorolac Tromethamine by means of a Coacervation – Phase Separation Technique induced by the Addition of Non-Solvent", Journal of Microencapsulation, Vol. 15, No.1, 45-53 (1998).
- ❖ Lütfi GENÇ, Nahed Hegazy: "Sustained release wax Matrix formulations of Ketorolac Tromethamine with compritol 888 and ATO and HD 5 ATO", Acta Pharmaceutica Turcica, XLII (1), 39-45 (2000).
- ❖ Nahed Hegazy, Muzeyyen Demirel, Yasemin Yazan,:"Preparation and In Vitro Evaluation of Pyridostigmine Bromide Microparticles", International Journal of Pharmaceutics, 242, 171-174 (2002).
- ❖ Lütfi GENÇ, Nahed Hegazy, Betül Arica and Erden Güler: "Investigation of certain varieties of Carbopol in Ketorolac Tromethamine Hydrophilic Matrix Tablet Formulations and Evaluation of the Kinetics of its In Vitro Release", Scientia Pharmaceutica, 70, 189-198 (2002).
- ❖ Mahmoud Mohamed Issa, R'afat Mahmoud Nejem, Alaa Abu Shanab, Nahed Diab Hegazy, Raluca-Ioana Stefan-van Staden: "Comparative study of three modified numerical spectrophotometric methods: An application on pharmaceutical ternary mixture of aspirin, atorvastatin and clopedogrel", Spectrochimica Acta Part A: Molecular and Biomolecular Spectroscopy, Volume 128, 514-521(2014).

### **COMPUTER/LANGUAGE SKILLS:**

- ❖ Proficient in written and spoken Arabic, English and Turkish.
- ❖ Proficient with Microsoft Word, Excel, and PowerPoint, and Internet.

*The End..*
