Final Exam
First Semester – 2018/2019

Student Name: _____
Student No.: _____
No. of Questions: (6)
Using Dictionary (No)

Choose Five out of the six “Optional Questions” in the following sections

Question One: (Optional)

Q1: Decide whether the following statements are (false) or (true) with analyzing your answer:

1. A foreign defendant brought his witness to the English Court; thus, the court starts with its proceeding under common law.
2. Private International Law should be fixed with its outcomes, since it is only a procedural law.
3. In the United States' federal system, the obligation to recognize and enforce a judgment of another State only applies where the judgment was obtained on the basis of jurisdiction which comply with minimum contacts.
4. Private international law is the area of law that comes into play whenever there's a foreign element.
5. The rules of private international law are not understood to include exactly the same topics in every country.
6. Ord 11 r 1(1) was substantially amended to bring it into line with the Brussels Convention.
7. Private International Law can be found on both national and international levels.
8. The emergence of the state concept affected Private International Law.
9. In the federal system of the US, there is an interconnection between private constitutional rights and private international law.
10. Historically speaking, Italian city-state legal systems adopted Roman law as a common natural law and sought to reconcile with the concept of divine universal law.

Question Two: (Optional)

Q2: In week 9 of our syllabus you should have prepared a presentation, what was your research question, why did you choose it, and what was your answer and conclusion?

Question Three: (Optional)

Q3: Under the common law rules, the jurisdiction of the English court may be assumed where the writ is served on a defendant physically present in England. Analyze.

Question Four: (Optional)

Q4: What are the sources of the Private International Law?

College Name: Faculty of Law.

Course No: LWEN4339

Course Title: Private International
Law

Instructor Name: MoaminAljaro

Final Exam

First Semester – 2018/2019

Student Name: _____

Student No.: _____

No. of Questions: (6)
Using Dictionary (No)

Question Five: (Optional)

Q5: No one could argue how baffling Private International Law is. But, at the same time, all could argue the nature of Private International Law. Is it national\international, systemic\substantive, autonomous\mutual, and finally unfair\just? (convince me with your own comprehension and don't rely only on the material you've read).

Question Six: (Optional)

Q6: Federal systems such as the United States are complicated, add Private International Law to that, and it is even more complicated. Analyze that complexity demonstrating the role of Private International Law in it.
