

Curriculum Vitae

Ahmed Salah Rasheed Eldalo, *B.Pharm, Ph.D.*

Professor of Clinical Pharmacology

College of Pharmacy, Taif University, P.O. Box 888, Zip code: 21974, Taif, KSA

E-mail: ahmed_dalo@hotmail.com, a.dalo@tu.edu.sa,

Contact: Tel. +966555250840

Personal Particular

Nationality	Palestinian	Religion	Muslim
Birthday	7/4/1971	Gender	Male
Marital Status	Married	Passport No.

Educational Background

Highest Education

Level	PhD	Grade	Pass/Non-gradable
Field of Study	Pharmacy	Period	2003-2006
Major	Clinical Pharmacology	Graduation Date	February, 2006
University	Faculty of Pharmacy, University of Khartoum, Sudan		
Thesis title	Prevalence of Iodine Deficiency around the White Nile and Estimation of Iodine concentration in the Local Water and Salt Used		

Second Highest Education

Level	Master's Degree	Grade	Pass/Non-gradable
Field of Study	Pharmacy	Period	1999-2002
Major	Pharmacology	Graduation Date	August, 2002
University	Faculty of Pharmacy, University of Khartoum, Sudan		
Thesis title	Pharmacokinetic Study of Cefixime in the Sheep and the Cattle		

Basic Highest Education

Level	Bachelor Degree	Grade	Second class, Division 1
Field of Study	Pharmacy	Period	1993-1998
Major	Pharmacy	Graduation Date	June, 1998
University	Faculty of Pharmacy, University of Khartoum, Sudan		

Employment History

1	
1. Name of Institute	University of Palestine
1. Position Title	Professor
Working Period	1/9/2019 to Present
2. Name of Institute	Taif University
2. Position Title	Professor
Working Period	26/12/2107 to- 30/8/2019
3. Name of Institute	Taif University
3. Position Title	Associate Professor
Working Period	24/11/2013 – 26/12/2107
4. Name of Institute	Taif University
4. Position Title	Assistant Professor
Working Period	October 2010 – November/24/2013
5. Name of Institute	National Ribat University, Sudan
5. Position Title	Associate Professor
Working Period	August 2013 – 26/10/2014
6. Name of Institute	National Ribat University, Sudan
6. Position Title	Assistant Professor
Working Period	June 2006 – August 2013
7. Name of Institute	National Ribat University, Sudan
7. Position Title	Lecturer
Working Period	2003 – June 2006
8. Name of Institute	Elrazy College for health and medical science (Faculty of Pharmacy, Medicine and Dentistry)
8. Position Title	Assistant professor
Working Period	From 10/2002 to 6/2010
9. Name of Institute	Omdurman Hospital pharmacy
9. Position Title	Pharmacist
Working Period	From 4/2001 to 10/2001
10. Name of Institute	Dermatology hospital pharmacy
10. Position Title	Pharmacist
Working Period	From 2/2002 to 3/2003

Computer Skills

Microsoft Word

Internet

PowerPoint

SPSS

Course/ Training/ Workshops Attended		
Course Title	Organizer	Time
How to use blackboard skills in education	Taif University	18-20/2/2019
Cardiopulmonary resuscitation	Saudi Heart Association	27/2/2018
Basic workshop for using Blackboard	Taif University	29-30/11/2017
Searching in the medical websites (Online training)	AdisInsight	17/10/2017
Searching in the medical websites (Online training)	BMJ	17/10/2017
Creative Thinking Skills	Taif University	12/10/2017
Bioethics online training course	The National Committee of Bioethics (NCBE) at King Abdulaziz City for Science and Technology	18/5/2017
Foundations of security and safety within scientific laboratories	Taif University	13/12/2015
Recent Advances in CNS Acting Drugs	Taif University	2014
Global Trends in Higher Education: Lessons Learned	Taif University	2014
Innovations in Teaching Health Sciences: From Words to Action	Purdue University, USA	2012
How to Write and Publish a Scientific Paper	Taif University	2012
Research Quality, KPIs and Benchmarking	Taif University & British Council	3-4 March 2012
Writing Biomedical Research Paper	Taif University	May 2011
Statistical Analysis in Biomedical Research	Taif University	14-15 March 2011
Formulating Research Proposal Symposium, Academic & Training affairs	Taif University	30 th Nov. – 1 st . Dec.2010

Workshop on Supervisory skills	Amman Jordan Azm consultant and training	May 2008
Workshop on Continuous Assessment	University of Khartoum	March 2007
Workshop on Curriculum Development	University of Khartoum	March 2007
Workshop on student support	University of Khartoum	February 2005
Workshop on evidence based medicine	University of Khartoum	February 2005
Course in pharmacy practice	The General Administration of pharmacy Khartoum Sudan	1999
Advance Excel skill	Etislat Training Centre Sudan	2007
Customer Service Skills	Cairo-Winners Consultancy & Training	August 2007
Workshop about Leadership & management Skills	Charter consult	Nov. 20006
Field sales management pharmaceutical workshop	Hikma Pharmaceuticals	8/2002
Diploma in NLP (neuro-linguistic program) Assistant practitioner	Illaf-traning	May 2006
Diploma in NLP	Illaf-traning	September 2006
Professional diploma in Management of Non-Governmental Organizations,	The Academy of Medical Science &	1/6/2006 to 30/8/2006

	Technology	
	National Ribat	
Course on Researcher Development	University	18/6 -3/7/ 2005
Course on Educational Preparation. Staff Development Center	University of Khartoum	3-29/ 1/2004
Course on problem-based teaching training	Medical specialization board & WHO, Sudan	30/7 -4/8/2005

Facilitator/Trainer

Course Title	Organizer	Date
Medication usage during Ramadan	Taif University	2017
Medication misuse	Taif University	2017
How to use SPSS in Pharmaceutical research	Taif University	014
Scientific Writing: Publication Process	Taif University	2013
Formulating a Research Proposal and Designing the Experiment	Taif University	2013
Formulating a Research Proposal and Designing the Question	Taif University	2013
How to Write and Publish a Scientific Paper	Taif University	December 2012
Formulating Research Proposal and Designing the Experiment	Taif University	November 2012
Scientific Writing: Publication Process	Taif University	May 2012
Step by Step to Data Analyses Using SPSS	USM	October 2009

Personal Skills

Responsible and High self confidence

Highly-motivated, hard-worker and efficient

Excellent team player

Able to work under pressure

Enjoyed educating others

Grants Granted

1. **Ahmed S Eldalo**, Mirghani A Yousif Taif University. Saudi Riyal 67,400 on a project titled: Saudi school children' knowledge about medicines, a community based interactive approach 2011-2012. (No. 1-433-1861)
2. Mirghani A Yousif, **Ahmed S Eldalo** Taif University. Saudi Riyal 51,400 on a project titled: Pharmacy students' perception, preference and practice toward education instructions 2011-2012.
3. **Ahmed S Eldalo**, Mirghani A Yousif, Abobakr I Elbur Taif University. Saudi Riyal 67,400 on a project titled: Knowledge, attitude and practice about disease and treatment among type 2 diabetic patients in Taif, KSA 2012-2013. (No. 1-434-2491)
4. Ahmed Omer Alnazhawi, Ahmed S Eldalo, Ahmed Farouq Ewais Taif University. Saudi Riyal 56,400 on a project titled: Design and pharmacological evaluation of antiviral drug, 2012-2013. (No. 1-434-2300)
5. **Ahmed S Eldalo**, Ahmed H Elbarraq, Mirghani A Yousif Taif University. Saudi Riyal 45,600 on a project titled: Prevalence of smoking and its related beliefs and attitude among medical students in Western region, Saudi Arabia, 2013-2014. (No. 1-435-3005)
6. Al-Haddad M. **Ahmed S Eldalo**, Qasem A Abdallah. Taif University. Saudi Riyal 54,200 on project titled: perception of medical students on the communication between pharmacists and physicians. 2013-2014
7. **Ahmed S Eldalo**, Mahmoud S Alhaddad. Taif University, Saudi Riyal 34200 on project titled: The collaboration and barriers between pharmacists and doctors in the hospitals towards medication errors in Western Region, Saudi Arabia. 2016-2017. (No. 1-437-4748)

Member of the Organizing Committee

Course Title	Organization	Date
Member of the organizing committee for the "Interactive Learning Methods: From Words to Action workshop"	Taif University	March 2012

Memberships

Title	Organization	Date
-------	--------------	------

Member in the Faculty board, College of Pharmacy	Taif University	2010-2017
Member in the Exam unit committee	Taif University	2011- 2016
Member in Curriculum development	Taif University	2013- Present
Member in continuous pharmacy education	Taif Univeristy	2011-2013
Member in Central Library committee	Taif University	2012-2016
Member in the Faculty board, Faculty of Pharmacy	National Ribat University	2006-2010
Member of Pharmacy college evaluation board	Ministry of higher education and scientific research, Sudan	2005-2009
Member in the Faculty board, Faculty of Pharmacy	Elrazy College for Health Sciences	2002-2009

Curriculum committee member:

Faculty of pharmacy	Elrazi College for health and medical science	2002
Faculty of pharmacy	The National Sudan University	2007
Faculty of pharmacy program	the Academy of military Karray-Khartoum	2009

Conferences Attended

1. The 2nd. International Conference on Exploring New Horizons of Pharmacy Practice (Presented 3 posters): **1-** In homes Medicines and antibiotics storage, use and beliefs: Saudi study **2-** Determination of nutritional status and prevalence of dyslipidemia and anaemia among health sciences female students, Taif University, KSA. **3-** Effects of food habits and lifestyle on prevalence of overweight/obesity among schoolchildren in Taif Area, KSA. Ministry of National Guard-Health Affairs, King Abdulaziz University for Health Sciences-Jeddah, KSA 16-18 April/2017.
2. Dubai International Pharmaceuticals & Technologies Conference & Exhibition (DUPHAT) 2016, Dubai International Convention & Exhibition Centre, Dubai-United Arab Emirates. 15th-17th March 2016.
3. 1st. international conference of clinical pharmacy in Saudi Arabia. College of Pharmacy, Qaseem University, KSA 15-17 Feb. 2015.
4. The second international conference on medical education reform, Khartoum, Sudan, March 23-26/ 2007.
5. The first international conference on medical education reform, Khartoum, Sudan, February 23-28/ 2005.

Teaching Experience

Involved in teaching parts or all of the following topics:

1. Introduction to Pharmacology (Pharmacokinetics & Pharmacodynamics)
2. Pharmacology of all body systems including (cardiovascular, central nervous, endocrine, GIT, respiratory, and autonomic nervous system) and chemotherapy.
3. Pharmacotherapy & Therapeutics
4. Complementary Pharmacy practice
5. Introduction to pharmacy
6. Abuse and misuses of drugs
7. Toxicology
8. Clinical Toxicology
9. Toxicology & Drugs of abused

Postgraduate Students Supervision

1. Changes in Lipid Metabolism and Fasting Blood Glucose, Before and after, Induced by Tacrolimus in Renal Transplant Recipients.
Student: Shaza Said Ahmed Haj Al-Hasan
Supervisor: Dr. Ahmed Salah Eldalo
Faculty of medical laboratory sciences-Alzaiem Al Azhari University
Discussion: March 2008
 2. Review Article: Drugs induced Liver enzymes (Aspartate aminotransferase, Alanine aminotransferase, Alkaline phosphatase and Gamma glutaryltransferase
Student: HishamSsghayroonAbdAlla
Supervisor: Dr. Ahmed Salah Eldalo
Faculty of medical laboratory sciences-Alzaiem Al Azhari University
Discussion: January 2010
 3. Evaluation the effect of antituberculosis drugs on the liver function tests in Sudanese patients
Student: Omer EltayebElsayed Haj Eltayeb
Supervision: Dr. Ahmed Salah Eldalo
Co-supervisor: Dr. Abd Allah Eltom Ali
Faculty of medical laboratory sciences-Alzaiem Al Azhari University
Discussion: July 2010
 4. Evaluation the effect of antituberculosis drugs on the renal function tests in Sudanese patients
Student: Yaseen Mohamed Elkhaim Khalil
Supervision: Dr. Ahmed Salah Eldalo
Co-supervisor: Dr. Abd Allah Eltom Ali
Faculty of medical laboratory sciences-Alzaiem Al Azhari University
Discussion: July 2010
